## INTERN

---

### Front-End Developer | July - december

#### CRUD Operations Pvt Ltd - Urapakkam, Chennai

- During my ongoing internship as a Frontend Developer at Crud Operations Private Limited, I have honed my proficiency in HTML, CSS, and JavaScript while actively contributing to various projects. This invaluable experience has significantly prepared me for future web development roles.

## TRAINING

---

### Front-End Development Course | April - May

#### CRUD Academy Pvt Ltd - Urapakkam, Chennai

- I successfully completed a comprehensive Front-End Development training program at Crud Academy Private Limited. This program encompassed in-depth training in HTML, CSS, JavaScript, and React.js, equipping me with practical skills for creating responsive web designs and interactive user interfaces.

Arunachala matric higher secondary school, kattuvilai.

- Percentage - 88%

## SKILLS

---

- HTML5
- CSS3
- Javascript
- React Js
- Tailwind CSS
- Node Js

## PROJECTS

---

### Weather Application built using HTML,CSS, Javascript, React and Axios.

- Created a React-based weather app for checking city-specific weather, used OpenWeatherMap data for real-time temperature, wind, and humidity and ensured a user-friendly design for easy weather information access.
